

To all current and former clients of Healing Motion Physical Therapy,

My husband Craig and I want to thank you for the privilege of serving your physical therapy needs over the past 15 years. We have valued our relationships with you more than we can express in words and we have been rewarded by your many years of loyalty and friendship. Your trust and confidence in us and the Healing Motion PT staff has been personally humbling and a great source of pride.

After much planful consideration, we are announcing full retirement from active practice, effective June 30, 2019. This transition is made easier by knowing we are leaving all of you in caring and trusting hands.

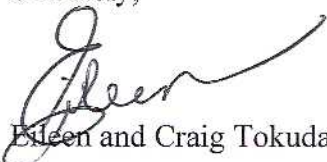

Healing Motion Physical Therapy, Inc will now be led by Dr. Ashlee Roderick. Dr. Roderick has been a member of our staff for over 4 years and has the same philosophy of excellent care that you have come to expect and deserve.

Dr. Roderick is a graduate of Pacific University and has achieved credentialing as a Certified Orthopedic Specialist, Certified Personal Trainer and has expertise in Women's Pelvic Floor Rehabilitation. She also serves as a mentor for physical therapy interns as a Certified Clinical Instructor. She will be joined in operating the business by her husband, Stephen, who will assist with management of billing, accounting and information technology. They have two beautiful daughters, ages 2 and 5 months, who keep them active and always busy!

Our other staff members will remain with the practice, providing the same personal and professional relationships they have worked hard to establish.

Thank you all for selecting Healing Motion Physical Therapy, Inc as your preferred provider of physical therapy services. We will miss all of you greatly!

Sincerely,

Eileen and Craig Tokuda
