							RACE DAY!

Cross training examples: Walk, Bike, Swim, Weight Lifting, Other Sports (Soccer, Ultimate Frisbee, Basketball, etc)

Consider making Thursday a tempo run or other speed work

For a more advanced plan, consider the HOTV Track Workout either Tuesday or Wednesday and flip-flop cross training days as needed (this may create a plan with running 4x/wk)

This is a very loose schedule. Take it and modify it as needed to work with your life

- The specific days are not as important as the number of days and overall mileage per session
